It's been a
real pleasure being
one of your students
this year. Thanks for
all of your help and
guidance this year, you're
an outstanding teacher.
Tony Hosen

It's been a real
privilege having
been in your 1st
class I enjoyed
every second.

David W. Ash

It's have been a
very nice year
in this class
with you. I have
had fun all year
long.

James Barnett

It's been a unusual experience
being in your class and I'll
never forget it. You have
been the best teacher I've had
in years.

Chris

So a great person! Mr. Sobel
It's been nice having you
as my teacher this year!
You a trip! (a great ka ch too!)
Take care

Mr. Sober,

I enjoyed being in
your 5th period class.

I thought it was funny
when you called this class
a "garden of onions." Also
this was the class I
enjoyed most even tho
I was asleep half the
time. Your jokes however
did wake me up. Hope
that your class is as good
or better next year.

Lots of luck to you.

Your friend forever

Mark P. Jordan

Well, Sober,
Even though I did not show it,
I really did "trip off" on your
jokes. Anyway, may the
rest of your future
students trip like I
did. Good Luck

Dear Mr. Sober,
I have really enjoyed
~~being~~ in your class this
year I hope you have enjoyed
having me too! Well I hope I get
to see you again.

Mr Sober,

It has been a wild
and crazy year, I
never thought government
could be so much fun.

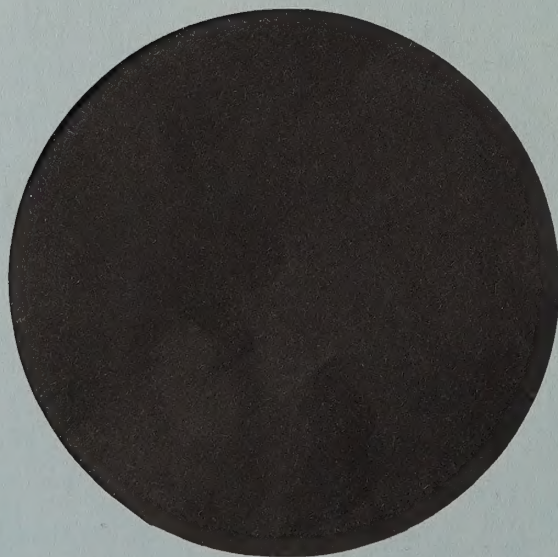

And still learn so

HOPEWELL HIGH SCHOOL 1984

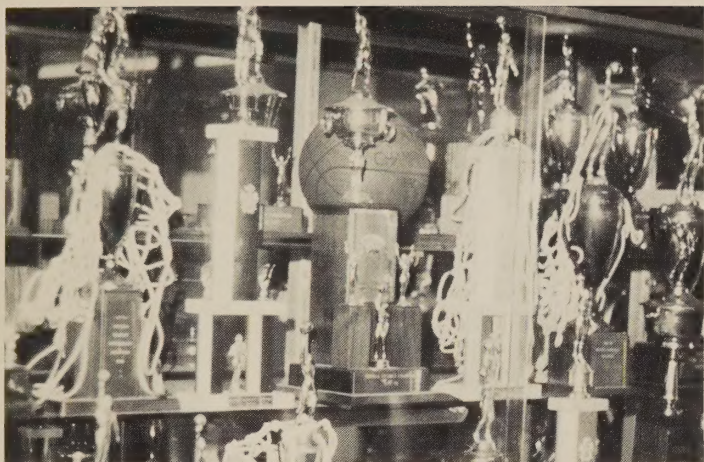

Thirteen hundred strong, the students of Hopewell High, band together in support of school activities and individual accomplishments. As students busy themselves daily with class assignments, individual study and extracurricular activities, they become involved with goals and accomplishments. Students not only work together as a unit, but often times branch out in a single effort to reach their highest potential. Individuals, by using their time wisely, their knowledge gained and their physical ability, work toward creating their own space in life. They strive to build upon previous experiences and to create new and interesting goals that will lead them to a better understanding of themselves and the world around them.

"This time, like all other times, is a very good one, if we but know what to do with it."

Junior Senior Prom

"Come Sail Away" This was a very fitting theme for the 1983 Junior-Senior Prom. Everyone that attended, lived out their "dream come true" on this beautiful Saturday in April. The decorations, greatly enhancing the theme, were diligently prepared and presented by the class of 1984.

The 1983 Prom Queen, Natalie Thorne, was crowned at the stroke of midnight by an unanimous vote of the Senior Class. "Full House" provided the Juniors and Seniors with non-stop rock, with an occasional slow song throughout the evening. As the Seniors said their last farewell to high school days they set their sails for new horizons and new worlds to explore.

"Do You want to dance?" asks Kristy Johnson as she dances to the music of "Full House".

Passing the time away, Jessie Hamrick and Emmitt Cahoun sit at their table awaiting another song.

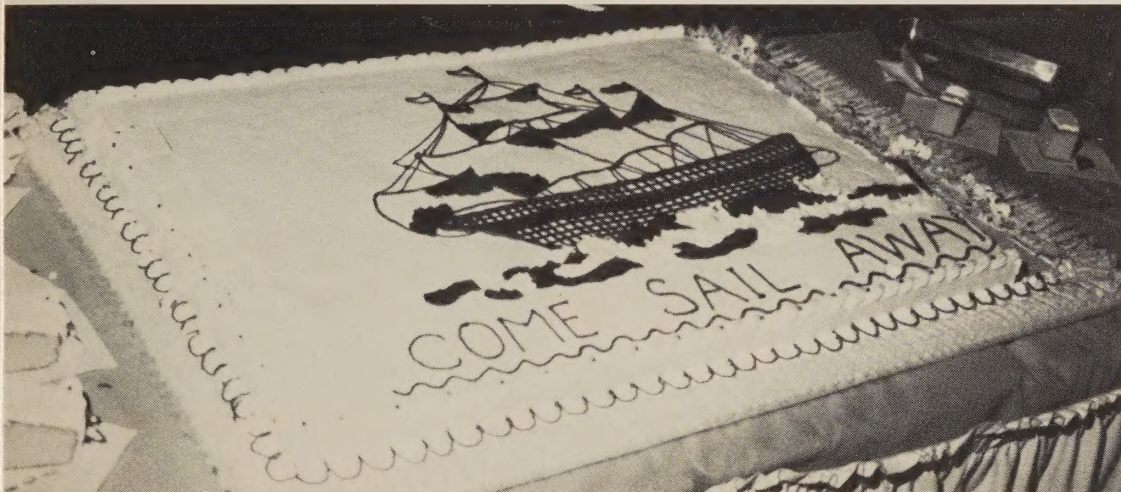

Prom memories last forever. H. N. Jones and date wait patiently for their turn with the photographer.

"Come Sail Away", the theme of the 1983 prom, was portrayed in the decorations, as well as on the scrumptious cake prepared by Lisa Howell.

Seniors Say Farewell

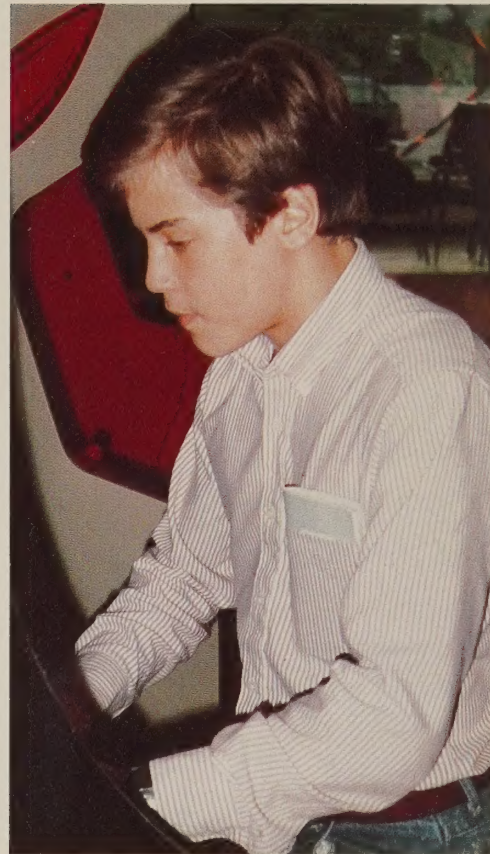

As the tie comes off and the sleeves are rolled up, the serious dancing begins for Chris Oakley and Michael Vess.

SUMMER '83 —

Do you have "Video Fever"? Are you constantly haunted by little green men in your sleep? Do you dream of chomping giant energizers and awake to find your pillow missing? If you answered yes to either of these questions, you probably have it! This disorder can be cured by only one method, going to the arcade. Hopewell offers two major arcades to cure what ails you. There is Video Magic, and Video Village, each of which are constantly filled with those video-holics, who can't seem to get enough electrifying points.

That's it, put in another token, you're hooked. Some say that these "Electronic Brain-drainers" cause vision problems as well as wrist and palm disorders. While others insist that the games quicken the reflexes and sharpen the mind. Whatever the case may be, these quarter-hungry savages are here to stay!

Making the earth safe for mankind! David Thomas fires away to clear the atmosphere of those vicious invaders!

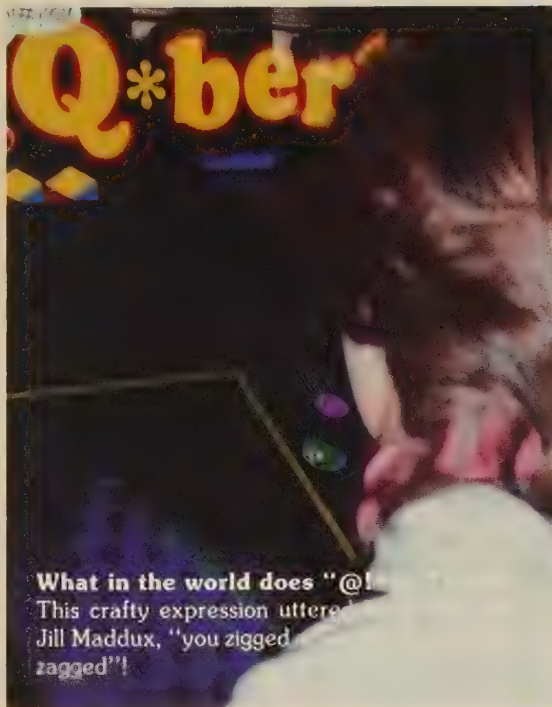

"Prepare to Joust!" One of today's most popular games, Joust, demands clever and quick reactions.

Have quarters become obsolete! These familiar coins are used in many arcades to avoid handling vast amounts of cash.

Days of Sun Fun

What did you do this past summer? This is the question asked by many teachers on the first day of each school year. The two page essay was always assigned to give the teacher an idea of your writing ability, to learn about you and some of your interests.

Summer months are spent in a variety of ways by the individual students of H.H.S. Vacations with families, trips to the beach, and hours spent in the sun. June, July, and August are the months when each does his or her own thing at a leisurely pace.

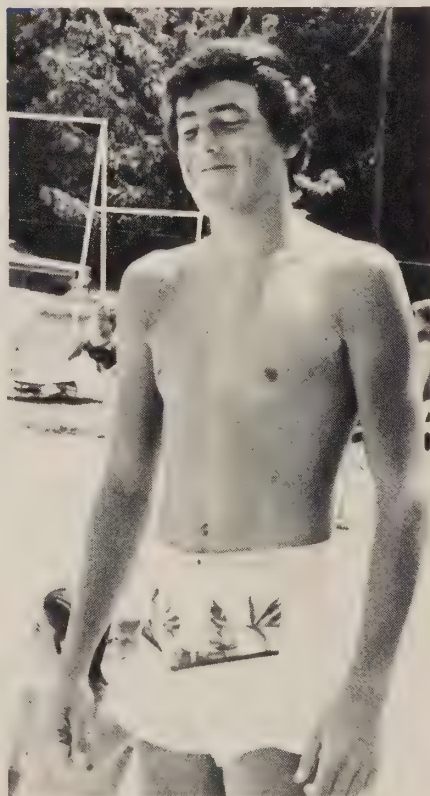

As the end of August rolls around, many dedicated students give up the last days of the summer holiday to make ready for the new school year. Football practice starts in the middle of August and marching band practice brings many out in the summer heat. As people ride by Hopewell High School they witness a good number of dedicated students pursuing their interest in sports and music. Even though school comes to a halt in June, the fun of being with friends and doing new and interesting things continues from one school year to another through the warm summer months.

Catching a few rays! Soraya U takes time from her busy summer schedule to soak up the summer sun.

5:30-6:00 P.M.

Students, sponsors, hours and priceless time were all involved in making Spirit Week and the school hall contest a popular event at H.H.S. Classes met and determined their individual themes and went to work preparing the necessary items for decoration. The Freshmen chose the theme from the "Wizard of Oz," the Sophomores, "The Devil's Den," the Juniors "Warriors' Nursery" and the Seniors, "Go for the Gold."

All classes started actually decorating at 2:30 on October the 14th and their halls were to be completed by 6:00 p.m. sharp on the eve of Homecoming.

Miles to go before we rest. Tina Strong, Sherry Harris, Paula Million and Lisa Bowe move slowly down the Sophomore Hall hanging streamer after streamer.

My Arms are falling off. Cam Vien, Graham Ousey and Anita Burkes reach and hold as the Sophomore Banner is hung in place.

I've got blisters! Cutting poster paper stars for the Freshman Hall is a difficult job for Paula Jones.

Talents unlimited! Soraya U captures the Devil Spirit with a drawing of the school mascot for the Senior Hall.

Anita Holloway, with ten sticky fingers, prepares decorations for the Senior Hall, "Go for the Gold."

"I've just got to get this last book in this locker somehow!" Sound familiar?

This thought goes through the mind of every student opening their locker for the first time and beholding a cold, clammy, metal structure with absolutely no life. As one quickly notices, each locker has only two shelves; if you count the bottom of the locker as being a shelf. Therefore, there is only enough room to hold a few text-

books. With the number of classes most students take, books quickly begin to pile up, one on top of another. Sooner or later things become so hectic that the locker begins to resemble a cluttered mass of confusion.

These innovative lockers were designed by students at Hopewell High, in an effort to brighten up and expand their locker space. Some students have chosen to brighten their lockers with sports artifacts, while others have chosen to increase their space by adding shelves to give them extra places for books and supplies.

So be original and get your locker in gear, spruce it up to fit your needs and make it your very own "Home away from home" for the 1983-84 school year.

WE'VE GOT THE SPIRIT — THE BLUE DEVIL SPIRIT

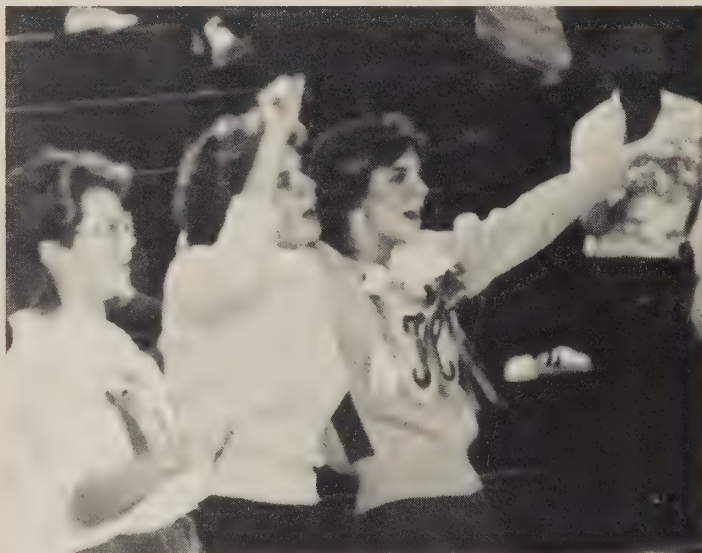

Team sports and individual sports play a large role in the life of many H.H.S. students. Hours of individual dedication and team effort go into a number of treasured victories for the Blue Devils. The students that participate in these sports always enjoy coming together to be honored and encouraged by the student body. Pep Rallies bring out the excitement and enthusiasm of the classes and show the school spirit.

Devil Spirit is like no other Spirit. Billy James enjoys the excitement of a school pep rally.

Hopewell Varsity Cheerleaders perform one of their high rise cheers.

Seniors, Laura Jones, Lori Lewis and Tracy Spatig help to form the Senior Spirit Circle during the pep rally.

Homecoming '84

Members of the Junior Homecoming Court, Lisa Hartsell, Tonya Johns and Sonya Griffin prepare themselves for the commencement of the Homecoming ceremony.

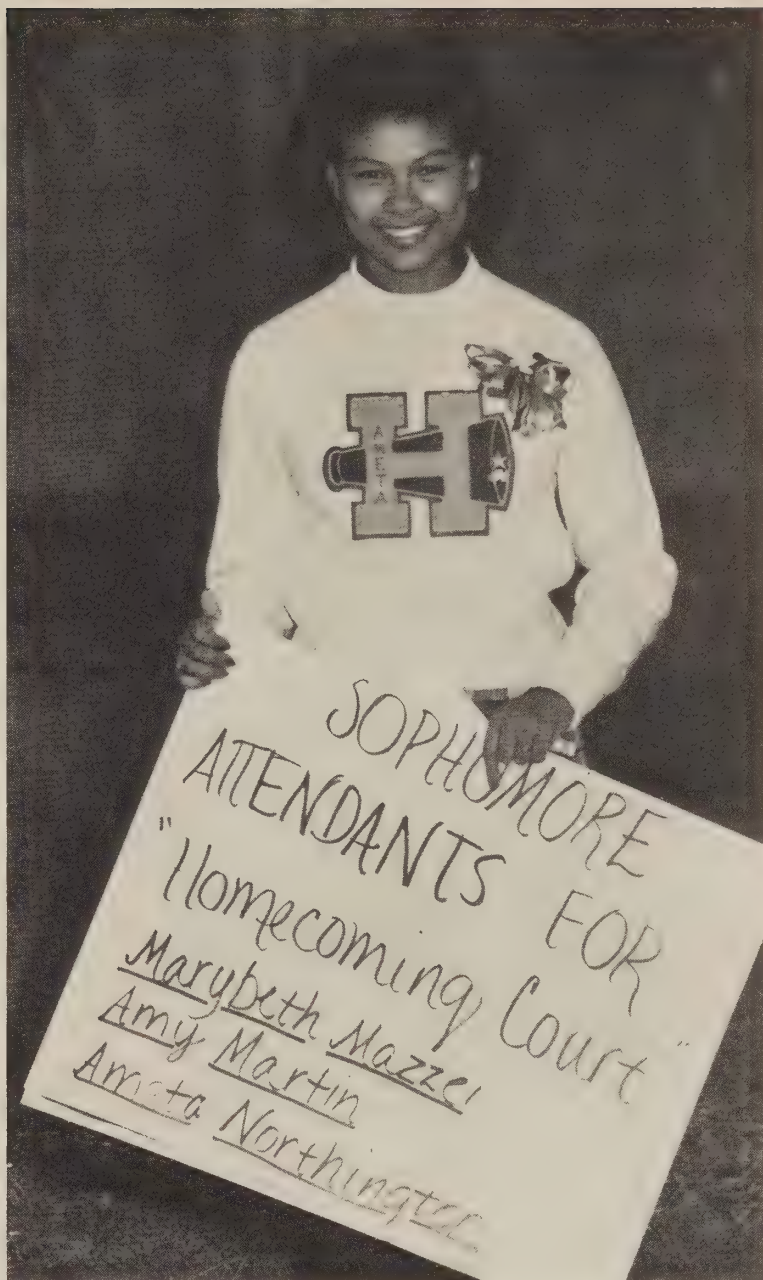

All over America, colleges and high schools set aside one weekend during the Fall to welcome back alumni and celebrate the bond established by being a part of the school environment. Homecoming as it has become to be called is a time when people that graduated together, participated in sports together and enjoyed many extra curricular activities meet together and share memories of past school years.

D. J. Kevin "Dr. Smooth" Marsh, plays the music at our Homecoming Dance.

Representing the Sophomore Homecoming Court, (Ameta Northington, Mary Beth Mazzi and Amy Martin), Miss Northington smiles prettily before the game.

Homecoming '84

The members of the Freshman Homecoming Court, Tina Jackson, Krista Flowers and Sandra Blaha wait for the half time Homecoming Ceremony to begin.

Homecoming at Hopewell is very special, beginning with Spirit Week and ending with the Homecoming Dance. Individual classes decorate halls and competition is strong among the classes. Each class also nominates and votes on their representatives to the Homecoming Court. The Homecoming Queen is selected from the Senior Class and is crowned during the half time festivities. Students, faculty and fans always look forward to the Fall weekend of Homecoming and the excitement it generates.

MR. AND MISS KALEIDOSCOPE

Mr. and Miss Kaleidoscope are chosen by the faculty of Hopewell High School. These two young people represent the leaders of the Senior class. They are students who are diligent workers in the classroom and are involved in extracurricular activities.

Michael Joseph Creamer is the son of Mr. and Mrs. Melvin J. Creamer, Jr. He is a member of St. James Catholic Church and the church youth group. Michael has worked on a number of school related projects through the Future Business Leaders of America and the yearbook staff. He has always proven himself to be quite capable and willing to give of his time and talents. Because of his interests in school and the community, Michael was chosen the Optimist Outstanding Young Citizen.

Julie Marie Chevalier is the daughter of Mr. and Mrs. Edward C. Chevalier. She is an active member of Wesley Methodist Church and participates in many church related projects. Julie has been active in the Student Council Association, has served as President of the Key Club and played on the girls basketball team. She, also, was chosen the Optimist Outstanding Young Citizen.

Both of these young people are quiet, and reserved. They are examples of many of the students in the Class of 1984. They are willing to work without a spotlight and without applause. They have chosen things of interest in school and have been willing to give of themselves to see projects completed.

The Kaleidoscope Staff and the faculty of H.H.S. wish to salute these two very deserving students.

Many of Hopewell High's varsity cheerleaders have been cheering since quarterback days. They have cheered for the Mallonee Squad, Junior Varsity and now H.H.S. Varsity. The number of hours spent on preparing to be a skilled cheerleader are endless. Many of the girls have taken dance, acrobatics and other forms of exercise classes to improve their versatile movements and agile antics. Summers have been given to cheerleader camps and afternoon practices. Sign painting, booster sales, candy sales and uniform design take hours of thought and preparation.

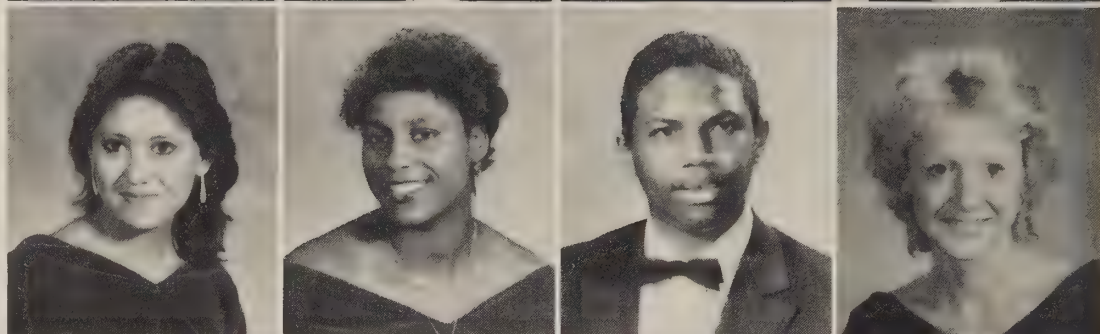

As the members of the Senior squad approach their last high school game, memories come rushing back of fun times and hectic moments. Times when cheering was the highlight of the day and when each looked forward to the Friday night game.

Senior Traditions

"Attention, all seniors please meet on the field after the game tonight to form the senior circle." This announcement was made on the night of the Homecoming Football game. The senior circle has been a tradition at Hopewell High for many years. Seniors form a circle, embrace each other, and sing the Alma Mater at the end of the last football and basketball games.

Other traditions such as the Senior Dance, the Junior-Senior Prom, the Senior Class Trip, the Senior "Misster" Pageant, and Class Night all play a very important role for the student's last year. They are not just traditions, but times shared together with classmates that will always be remembered as events that helped to make the life here at H.H.S. an enjoyable one.

Who Is Prepared for College?

Kevin Suddarth, are you prepared for College?
Amanda Thomas and Soraya U are!!

How many times do we, high school seniors, hear teachers preach about college? Every day there is always one teacher out of seven who is "trying to prepare you for college!" After several weeks, we begin to allow the "college preparatory" lectures to go in one ear and out the other! But as time grows closer to the end of the first semester, you start to realize that time is running out and you will not be a senior much longer!

"Where will I go?", "What will I do?". We start asking ourselves these questions. We must face reality, and make arrangements for our futures.

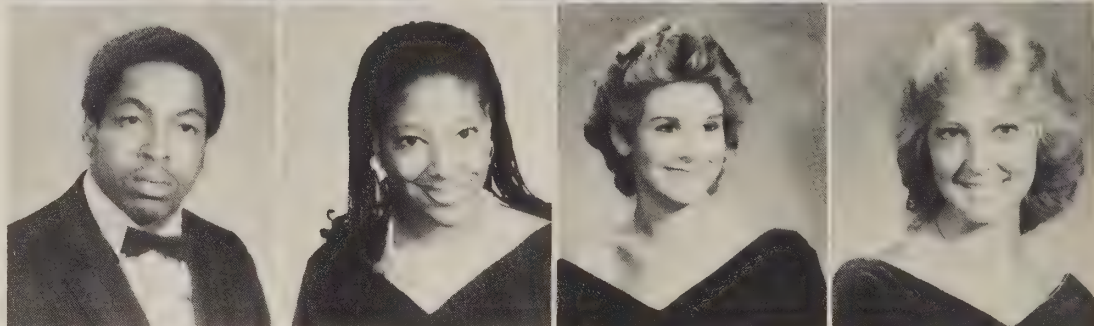

SAT's are one of the first things on our list, followed closely by the start of the "college fund." Finding just the right college involves reading through many pamphlets and brochures in order to find one that suits our needs. Then applications must be sent before the Christmas break, to insure that yours is received in time. In the spring, all of the hard effort pays off when you receive an acceptance notice in the mail, and finally feel secure.

Dedication and Determination

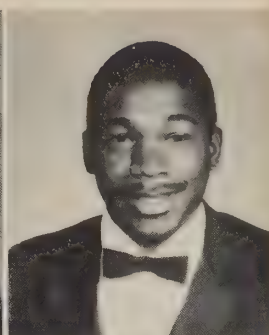

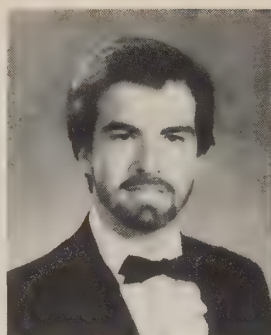

Darrin Bennett expresses the tense emotions of the game.

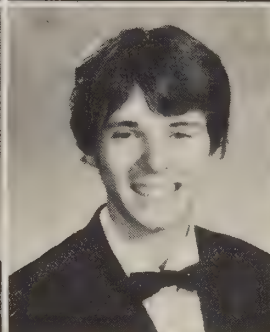

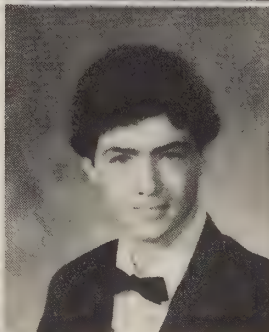

Dedication to the sport, determination to accomplish the goal, drive to succeed in the classroom, all of these phrases show characteristics of H.H.S. students working for individual satisfactions. Seniors have worked for twelve years to become proficient in the academic choices they have made. Seniors involved in sports have built on their physical abilities from year to year to finally arrive at the varsity level. The class of '84 has a number of students that have worked diligently to increase their knowledge of the subject being taught and to build on past experiences to attain new goals. The Senior Class of Hopewell High is unique as well as united in trying to build strong, well planned futures.

On the Job Training

COE student, Anita Edwards, serves as a secretary in the main office of Hopewell High.

Work programs at H.H.S. have been quite popular with Seniors for a good number of years. COE, DECA, HOSA and VICA provide on the job training for a number of students that desire to attend school for the required subjects and work away from school for part of the day. With cooperation from insurance companies, health institutions, banks, industry and auto dealerships, many Seniors earn valuable experience as well as financial aid. Often times, students in these work programs, become a part of the full time staff upon graduation and others go on to further their education in the area they have become familiar with. The teachers that head these programs spend many hours securing and providing students with valuable knowledge concerning the elected fields these students have chosen. Through a team effort between student, teacher and employer, a service to the school and the community is achieved.

"PUTTING ON THE RITZ"

It is said that history repeats itself and fashion also. In the early 1900's many people enjoyed dressing to the hilt and parading their extravagant apparel in the most popular places in and around town.

In 1983, The Senior Class adopted the theme "Putting on the Ritz" for the Senior Dance. This familiar song sung by the group "Taco" has become one of the more popular songs of today, but the phrase goes back many years. Seniors enjoyed putting on top hats, carrying canes, and parading around the dance floor in patterned hose, silks and satins.

The music was provided by a disc jockey and the music was not reminiscent of years past, but quite up-to-date. Couples enjoyed doing the "Smurf," "George Jefferson," and "The Michael Jackson."

As Seniors enjoyed dancing and talking with classmates, many became aware that their Senior year was beginning to become a part of history. In years to come, as they meet one another on the street or at a high school game, they too would recall that evening in November when they enjoyed "Putting on the Ritz."

Dressed to perfection in Red, White, and Black! Suzanne Powroznick and Lanny Hartsell dance their shoes off.

After "Putting on the Ritz," some seniors head for the punchbowl. Lisa Ellison, Kevin Laskey, and Roger Carmony help each other with the refreshments.

Dance goers prepare to "get on the dance floor and show 'em how it's done!"

"Dancing like the pros!" Tony Hosey and Kim Stanley dance to music played by Steve Crumbly.

Bonnie and Clyde look-alikes? Tami Sober and Kerry Burnham take a rest from the hustle and bustle of "Putting on the Ritz."

Seniors . . .

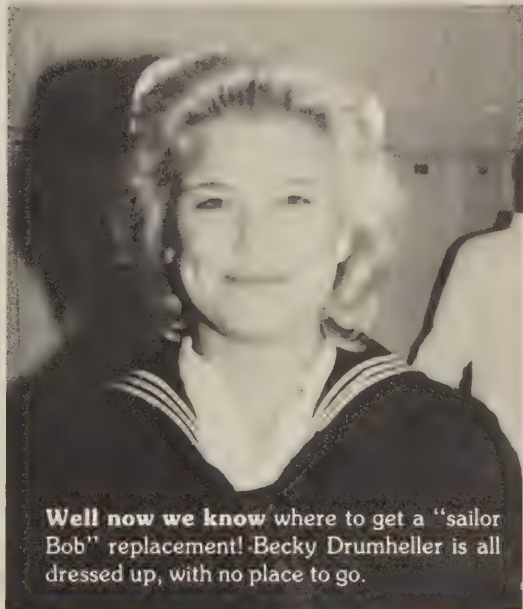

"Is it time to go home yet?" Kevin Suddarth has had a B-O-R-I-N-G day!

Is this a "Freaky Friday" rerun? Have Tami Sober and Kerry Burnham changed personalities? It's a mystery to us!

"May I take your order, please?" Shel Bolyard has her act together on the Senior's Halloween dress-up day!

Well now we know where to get a "sailor Bob" replacement! Becky Drumheller is all dressed up, with no place to go.

They Do It With "Class"!!

Students head back to class after a fire drill.

Not Another Fire Drill!!!

No one minds going out on a sunny day for a fire drill, but when you have to go outside for twenty-five minutes in the rain for a bomb threat, nobody likes it. Standing out in the rain and freezing is no fun at all, especially when you have to look forward to wet clothes, wet hair and a sneeze or few in the future.

Students at H.H.S. will long remember that rainy day in November '83 when firemen and policemen searched our school for a nonexistent bomb.

Nap Time

Every once in a while, no matter how interesting the class may be HO! HO! HO!, your eyes just seem to make themselves heavy, and your head finds its place on your desk. Some people just can't help falling asleep in class, especially during a film or a lecture. When the lights go out and the room becomes silent a sleepy mood creeps through the atmosphere and overtakes your senses. A sudden shock occurs when the lights come on and the bell rings. You are rudely awakened and brought back to the activities of the classroom.

Duties as a class officer extend into pleasure time for Sonya Griffin.

A moment not soon forgotten by Mr. Daniel or Nina Casey.

Music provided by "Casper" made the Ring Dance that much more enjoyable.

Hope Mason and Carl Daniels rest between dances.

You Are Now Entering the "Twilight Zone"

Juniors anxiously await the time when class rings arrive. These rings mark a time in their school life which sets the stage for their upcoming Senior year.

The Ring Dance is always a highlight of the school year. The Junior class used the theme "Twilight Zone" to decorate the cafeteria and stars studded the ceiling. "Casper" provided the music for the evening and each Junior there celebrated with good food, good music and good fellowship.

Hopewell High School rings are unique and each student is allowed to choose from a variety of gems, sports emblems and other descriptive designs. These rings are truly unique and will be worn for many years to come.

Sharing that special time with her date, Arnita Hayes receives her class ring.

Junior class members and dates watch the newest steps being performed on the dance floor.

Danny Acord seems to express an immediate reaction to Mr. Daniel's lecture on proper school behavior.

Seniors, Juniors, Sophomores and Freshmen attended an informal lecture given by our principal, Mr. Daniel, concerning proper behavior for the H.H.S. student body. Mr. Daniel expressed his concern and the concern of many on topics of vandalism, profanity and inappropriate physical contact in the halls. Mr. Daniel encouraged and suggested strongly that students improve their conduct and start showing pride for their school and themselves. School pride is always an important part of being a true Blue Devil and the student body reacted in a positive manner to the problems at hand.

Sophomores

No More P.E., Yea!

Heads up, here comes the serve by Ann Cunningham.

The Freshmen still have one more year left of Physical Education, but for the Sophomores this is their last year of dressing out.

There is nothing more frustrating, for a girl, to spend two hours getting dressed in the morning and then having PE first period. To ruin all the work you have accomplished while running laps, playing volleyball, or playing basketball is quite depressing so early in the morning. Nails are forever being broken, the curled hair goes flat and you're hot and sweaty for the rest of the day. After completing ten years of PE, most of the Sophomore girls can happily say good-bye to smelly locker rooms.

Sophomo

Melissa Roberts gets a break in the hall.

Beep! Beep! Coming Through

There is so much confusion in the halls, we could use double solid yellow lines and have a two-lane hallway. With only five minutes between classes, sometimes you really have to hustle to make it to your next class on time. If you say, "excuse me please," it doesn't help. There are so many students in the halls, that you have to "go with the flow." Also, you'll find a group of girls who will decide to stop in the middle of the halls and talk. This sort of thing makes you just want to knock each and every one of them over. These girls just stand there talking, not knowing that they are holding up traffic.

Another dilemma to the hall situation is that your teacher will never accept the excuse of being late, because you didn't have enough time to go to your locker. So, in order to not accumulate so many tardies or get detention you have to practically carry your whole locker around with you all day, and that soon becomes a drag.

SOPHOMORES SHOW OFF!!

Posing for a picture during the 1983 Ring Dance, Lisa Grant and Jay Frink.

Waiting to get their picture taken for the yearbook, Vicki Turner, Brian Bennett, and Ricky Nicely.

Keeping his eyes on the book, Stephen Schuman.

Out on the football field doing a routine with the band, Tami Miller.

"Just You and I"

Everyone on the dance floor!

Well, it's come and gone once again, the annual Sophomore Sweetheart Dance. Each year, in the month of February, the Sophomores all get together and have a BLAST!

The highlight of the evening was the announcement of the "Sophomore Sweetheart" for 1984, chosen by the class. This year's proud winner is Ameta Northington. Her court consists of: first runner-up; Rose Johnson, second runner-up; Mary Beth Mazzie.

Steve Crumbly of WQKS-96 provided the upbeat tempo for the evening of enchantment.

"Just You and I," the night's theme, provided the atmosphere for each couple's "night to remember!"

Sophomore Sweetheart is crowned! Mary Beth Mazzie; Second runner-up, Ameta Northington; Sophomore Sweetheart, Rose Johnson; First runner-up.

Presenting Ameta Northington,

Isn't love grand? says Karen Murray and Darrin Bennett.

H.H.S. Spirit

A spirit all her own is Krista Flowers dressed up for Spirit Week.

That HHS Spirit . . . it's a lot of different elements rolled up into one very significant part of our school's existence. It's the energy generated from the winning touchdown in the closest and most important game of the season. It's the excitement we all feel at an action-packed basketball game against the toughest team in the

district. That HHS Spirit is the enthusiasm expressed by every member of the student body during a steaming pep rally. And it's the thrill of victory and the determination to try again.

The spirit of Hopewell High isn't just created by basketball games and pep rallies, but by the students and faculty themselves. It's the spirit of the school, our school, our home away from home. Our teachers are our parents and our classmates are our brothers and sisters. We are all one very big family. That spirit brings us closer together. It makes us realize that we're all on the same team.

Our school's spirit is also one of learning. It makes us eager to learn new and exciting things from the interesting people we meet every new school year and to reminisce with old friends. It gives each of us a real need to gain all the knowledge our bodies and minds are able to withstand. It causes us to focus on the fact that we need an education if we ever expect to achieve our goals.

That HHS Spirit is lurking within each and every one of us. It can carry us to great depths and in the process cause us to do some extremely wild and crazy things, but most of all it can bring out that Devil determination to accomplish whatever we set forth to do. That's the Spirit of Hopewell High — that HHS Spirit!!!

"I'm not a loafer," says Wayne Taylor, "I'm just smart!!"

What Do We Do Now?

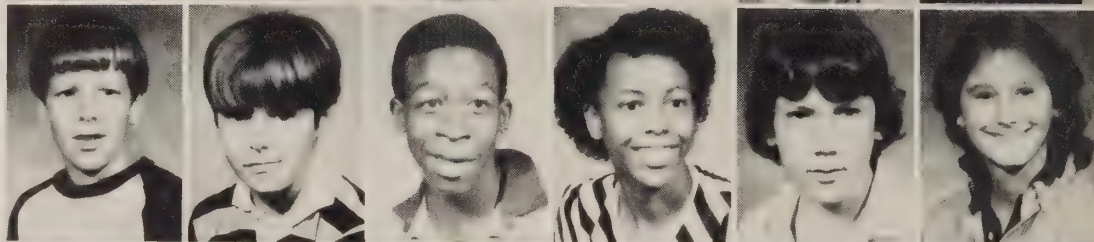

Sometimes, no matter how much classwork a teacher assigns, there will always be *one* student that finishes far ahead of the rest. These students, known commonly as "loafers," then disturb the rest of the class. Usually these two-legged pencil-pushers are only in it for the fun of it anyway. Never the less, the teacher quickly ends this Utopia by giving still more work. This punishment, however, is quickly finished also, and the cycle repeats. Why the students love school work so much is beyond comprehension, but why disturb a perfect cycle.

What Do You Mean, We Are Only Freshmen?

"Do you feel like you are sometimes caged?"
asked Robin English as she peers through the auditorium door.

Freshmen, do you feel caged in? Do you feel like you have no privileges? Well, I don't know about you, but I thought that when I became a Freshman and came to the high school, I would have just as many privileges as the Seniors. Wrong! Seniors are allowed to leave for lunch three minutes early and enter the pep-rallies before the rest of the student body. Some seniors even get to go home early through early release. Well, no matter, our time shall come. As a class of 400 plus, we can't help but be noticed and in time we too will have privileges.

Faculty

**Given the Opportunity to Teach, Each Imparts

In Memory

Mrs. Eunice McCall
1920-1983

The senior members of the yearbook staff chose to dedicate the 1984 *Kaleidoscope* to Mrs. Eunice McCall. We, the class of '84, remember Mrs. McCall as our guidance counselor during our sophomore and junior years. Had it not been for illness, she would also have been our counselor during our senior year. She is remembered as the one to whom we went for advice and help.

Mrs. McCall was a member of the Hopewell High School Faculty for over 28 years serving not only in the guidance department but in math, science, and home economics as well. She will be fondly remembered and appreciated not only by those of us who were fortunate enough to be closely associated with her as advisor but by all students and faculty who knew her.

Decisions, Decisions! Mr. Denton and Mr. Daniel discuss an assembly in the auditorium.

Mr. Jack Daniel

Mr. Denton, "Where is your hat?" Mr. Martin, Mr. Daniel and Mr. Denton help cook and serve at the SES Bar-be-cue booth at "Hooray for Hopewell."

Man of a Thousand Hats!

Yes, he is versatile, innovative and most importantly our principal. With hat in hand, Mr. Daniel is prepared for any occasion. A quick flick of the wrist and he goes from a mild-mannered principal to a prestigious dignitary sitting atop the graduation platform. Then with another quick change he becomes a "Blue Devil" fan showing off his spirit at "Hooray for Hopewell."

Mr. Daniel is a truly dedicated person who is willing to give of his time and talents to better the school in which he serves.

Mr. Clarence Nicholas
Assistant Principal in charge of Discipline

Mr. Herbert Denton
Assistant Principal in charge of Business and Activities

The jobs of the three assistant principals at H.H.S. are varied but when meshed together, they produce a harmonious operation. Through the efforts of these principals, a student can be assured of well planned lessons, fair treatment, and accurate record keeping. These three adults, with a heavy work load, always seem to have time to hear the student's request and make a decision which will be fair to all.

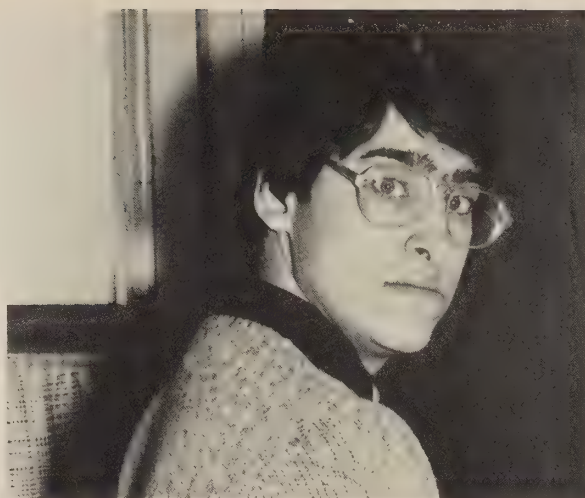

Mrs. Orr, Mr. Nicholas, and Mr. Denton, working with teachers and students, are capable, self-assured individuals with the success of Hopewell High always first in their minds.

Spring Golf — 1983

The 1982-83 school year marked the end of Spring Golf for all AAA golf leagues. This change was made because of the number of inclement days which prohibited match play.

The Spring Golf team ranked 2-7. Hopewell sent their number one player, Tony Pelligrini, to Lee Park for the Central Regional Tournament where he placed 5th. After that, Pelligrini advanced to the State Championships in Salem, Va. Pelligrini placed 8th out of 64 other players.

According to Coach Witherow, his three returning seniors, Ashley McCall, John Dolis, and David Williams showed good leadership. The whole team worked very well together and showed the Central District that H.H.S. can hold their own on the links.

The 1983 Fall Golf season was a very strong season for Hopewell. Finishing 4-8, top player Tony Pelligrini, played in the Central Regional Tournament at Prince George, where he placed 5th. Advancing again to the State AAA Tournament Pelligrini was 6th out of 64.

This year was a year of marked improvement among players. Ronald Caricofe, a returning junior, played as the number two player. Another returning player, Rodney Lewis, played in the number six spot.

This was the first year that Hopewell had a girl play on the team. Crystal Rackley showed much talent in the field as she played alternate. Coach Witherow said the two juniors, Ronald Caricofe and Dorsey Kimbrell, had improved so much and that they would be very valuable to the 1984 season.

Ranking sixth in the state — Tony Pelligrini.

Tennis Team Aces Another Season

The boys' tennis team had another outstanding season in the spring of '83. The team finished off the season with a winning 9 and 5 record, only losing a district match to Monacan. This year's team was strengthened by the return of such players as Seniors, Sean Timmons, and Bryan Townes; Juniors, Jay Frink, and Jimmy Gould; Sophomores, Kevin Szafranski, Graham Ousey, Jerry Suyes, and Geof Bambini. Adding to the strength of the team were some up-and-coming hopefuls Steve Frink, Matt Letson, and Brian Medeiros, all Freshmen who added that all important depth to the team. The winning performance and strength of the team did not come easy to the players; there were plenty of hard practices, and numerous court drills that really got the team into shape. As a result of a winning season and all the hard effort put out by his players, Coach Landes must be very proud of Hopewell's '83 tennis team.

Get's Tagged at Home

Hopewell High's 1983 baseball season was one of some wins and a number of losses. The team was unable to successfully coordinate a defensive and offensive attempt. Many games would have had a different outcome if the hit and run game had matched the outfield defense.

The team had a number of outstanding players even though the statistics did not reflect their true abilities. Many of the games played were lost only by one run and this indicated that the hard ball hitters of Hopewell were stronger than the final record showed.

The '83 Girls' Varsity Softball Team turned in another fine season. Coach Jane Bishop's team, assisted by a .379 average soared to a 11-4 district record, which was good enough for a first place tie. Helping to lead the team to the number one seed in the district tournament were co-captains Rose Camacho and Paula

White. All District Honors went to shortstop — Camacho, first baseman — Faye Gunn, and pitcher — Gina Potter. With seven players returning for the '84 season, the chances were excellent for the team to improve their '83 overall record of 12-6.

The '83 girls' tennis team gets a new look this year. One of the biggest changes the girls' tennis team went through in the fall of '83 was the addition of Mary Traina as their new coach. The girls finished the season with an overall record of 2 and 7. The team was pleased with their overall performance. Also along with the coaching changes there was change in the training program of the team. New drills, with an emphasis on conditioning, and a new weight training program was used to get the girls in shape for their upcoming season. The tennis team went with experience in their players for this season. The top 8 seeds on the team consisted of 5 seniors and 3 juniors. Heading the list of Seniors was team captain, Tina Cabaniss, and for the Juniors was Linda Oliver.

Track is an individual sport where the individual efforts combine to make a team. Each person gives his or her all in their event and these accomplishments help the unit as a whole. Due to the lack of participation in both boys and girls track, the team finished last in the district. By not having someone to compete in every event the Devils lost valuable points. Even though the Devils finished last, individual school records were broken.

Participation of a few cannot compete against large team. The track team hopes more student athletes will become interested in track and go out for the squad. With a bigger turn out, the Devils could become a better force in the Central District. With new head coach, Alan Hoover, the team will have great leadership and will become a very competitive Blue Devil sport.

The 1983 Cross Country season was met with mixed reviews. Starting the season, the team had to depend mainly on three sophomores and two juniors. Staying clear of injuries, the team posted a third place finish in the district and settled for a 500 season overall. Sophomore team captain, Jeff Fitch was outstanding at home and finished third in the Central District Championships. Jeff's only loss at home was to a Senior from Thomas Dale that won the Dominion District Individual Title and was named to the AA all-state team. Fitch was backed up by Chris Martin and Donald Letchworth. Both of these fine runners were named to the All Central District Team and along with Fitch went on to earn births on the 1983 All Central Regional Cross Country Team. Hopewell Cross Country took on a new look with the first female runner in the history of the sport. Not only did Robin Chambers break the sex barrier, she performed well enough to earn All District honors. With six let-termen returning in 1984, the future appears bright for next season.

Although the mat men did not fare too well as a team, they stood tall on an individual basis. Kern at 98 pounds and Whitt at 167 pounds took first place honors in the Central District Tournament while Klonis placed second in the 176 pound weight class. Kelly at 112, Matt Ellis at 107, Steve Seymour at 119, Darin Bennet, heavyweight, Mike Creel at 185 and Steve Creel at 155 took third place. The season started off in the wrong direction when the Blue Devils suffered its first defeat at the hands of the Confederates of Lee Davis. But after that loss, the Devils stopped eleven straight opponents including highly ranked Dinwiddie. During the year the Devils moved up in the area polls to win the top spot. The Devils moved on to Richmond Stadium to meet the favored JHW "Trojans." As before, the opponent was favored but the Devils stopped the Trojans, 14-7 to take the first Regional Title in H.H.S. history. Next the Devils were off to Virginia Beach to meet the Chiefs of Kempsville, the number two team in the state. The Devils came up short 13-6 in a hard fought contest. The score showed a 7 point loss, but the game was much closer.

At the beginning of the season, everyone said Hopewell was small, inexperienced and young but Coach Parker never uttered those words. The mention of those words only got the team fired up. Hopewell had no stand-out players but was a close knit team from the beginning.

The city of Hopewell has long been a "football town." The 1983 Blue Devils were symbolic of H.H.S. football. The citizens, old and young, followed and pulled for the Devils the entire season under the coaching of the new head coach, Marshall Parker.

Hopewell put up a good fight in the Central Region Championship game held at Monacan. Monacan with a record 9-0, only got away with one point in the game. Hopewell placed 6 players in the All Central Region Team. On the first team, Sherry Conner and Eleanor Sweetland represented the offense and Deena Garrett the Defense. As for the Second Team, newcomers Michelle Bennett made offense and Dawn Rackley made defense. Sonya Griffen was chosen the goalie for the second Team.

Analyzing the action — Coach Littlepage and Co.

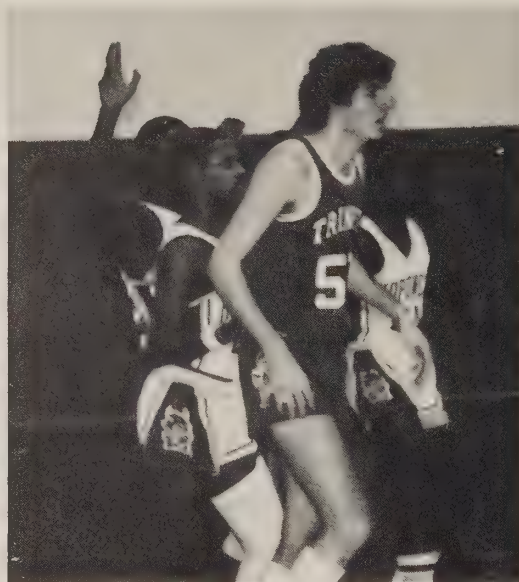

The 1983-84 Blue Devil Basketball team experienced an up and down season under Coach Bill Littlepage. After the first half of the season, the Devils stood 8-2 and ranked fourth in the area Times-Dispatch Poll. However, after winning only three of its last ten games, the Devils entered the district tournament seeded third with a 5-5 record and a 11-9 overall record. But the Devils seemed to jell at the right time and after posting victories over Dinwiddle, Monacan and Marshall Walker the young Devils claimed the **Central District Tournament Championship** and advanced to the Central Regional Tourney where they lost a tough game to Jefferson-Huguenot-Wythe, the eventual State Champs.

Junior Guard, Mark James, was the team's leading scorer, while seniors, Geno Williams and Darryl Hill, along with juniors, Leonard Harris, Don Stokes, Lamount Hayes, Jay Frink and sophomore, Bill Scott, were the mainstays of the team.

As the Blue Devil Basketball team approaches the 84-85 season, they will be joined by the strong J.V. team, which finished 17-1 under Coach Harry Bradley. The future looks bright for the basketball program for the next two to three years.

Final District Record	
Fourth Place Tie	

The 1983 girls' varsity basketball team experienced a disappointing but rebuilding year. Coach Jane Bishop's team finished with a 3-7 district record and a 6-15 overall record. In spite of its disappointing season, team captain, Kelly Kirksey, managed to keep spirits up and enthusiasm high. There were some bright spots on this year's team. Deloras Harris, who played both forward and center, was the team's leading rebounder and second leading scorer. Guard, Cindy Nicely, was the team's floor leader as well as the leading scorer. With both Deloras and Cindy returning next season the future appears bright for the '84 Blue Devils.

Organizations at Hopewell High School are designed to give those students participating an outlet to express their varied interests. These organizations are diversified so as to serve the large numbers of students that attend H.H.S. It is most important that the clubs and organizations serving these students meet the needs of the student body. Through the wide range of planned activities these clubs offer, a student can pick and choose what fits with his or her personality. After making choices, these students can then pursue a wide range of interests.

Hopewell High can boast of one service club, which is the **Key Club**. This club is sponsored by the local Kiwanis Club. The Key Club is made up of young men and women that desire to perform civic projects for the school and the community. In the past year, the Key Club has participated in wrapping Christmas boxes for the "Society of the Aging." The club also gave Halloween treats to the foreign exchange students from England and celebrated Key Club Week by doing daily projects around the school.

To meet the needs of students interested in the field of Art, the **Art Club** of Hopewell High offers a wide range of activities. This club

"What's the schedule for the month of December?" "When do we perform and for whom?" These questions are asked by the students that meet daily and make up the group called "Mixed Company." This vocal group spends hours practicing and polishing up moves that are eye appealing to the audience. Each year this group enjoys performing for school programs as well as community organizations. The students give willingly of their time to share their talents with the people of Hopewell and people in far away cities like Orlando and New York City. They see others perform when they make their field trips and many of these students begin to dream of days to come when they too may be a part of a Broadway play or a part of a chorus line.

Team work is not just a part of the sports program at H.H.S.; team work is also important to the members of Mixed Company as they perform for various school programs.

"What ought we to do?", exclaim Caprice Kitchen, Karen Richeson, and Carole Ross.

"Yo Ho Ho, and a bottle of rum!" Several of the pirates plot among themselves.

"Well blow-me-down, it's the coppers!" Members of the police make final alterations.

Getting it all together! David Silvestro pulls on his boots to enact his part as Samuel.

Lights! Camera! Action! From the moment the first member of the cast steps foot on the stage, to the finale . . . the members of "Theatre Ensemble" hold a very captive audience under their spell. Each spring, everyone looks forward to the annual dramatic production enacted by not only members of this unique class, but talented individuals from the community as well. The HHS drama department never fails to amaze us.

"How beautifully the sky!" A few of the daughters admire the night sky.

The Daughters on parade! The captive audience gets a full view of the daughters on stage, as they dance their hearts away!

The trip is long, but the fun and excitement shared are well worth the time.

On the Road Again

The Student Exchange Service of H.H.S. is one of the most popular organizations. Students enjoy hosting peers from other countries and they enjoy visiting other countries in the summer. This past year, our school has had the pleasure of exchanging visits with the countries of Germany and England. Our students have become close to these special people that have become a part of our school for a short period of time. Many of these friendships will be long lasting and will call for a reunion in years to come.

of promoting hemispheric peace within the neighboring nations. The **Spanish Club** enjoys monthly meetings where slides and films are shown concerning the Latin American Cultures. Students enjoy celebrating Spanish customs and one of their favorite celebrations is a Velada. This is a festival that observes special Spanish Holidays. The **French Club** also enjoys studying the customs of France. Students that take French not only learn the language, but also learn about the country. One of the favorite projects that the French Club sponsors is the foreign candy sale. The student body always seeks out the French Club members that are selling "Gummy Bears."

There are three organizations which base their membership on scholastic achievement. The **Advanced History and English Organization** is made up of Juniors that have been chosen to participate in these classes. Through fund-raising projects, these students travel to the New England States over the Easter Vacation to tour and further their education. Another club that bases its membership on scholastic achievements is the **Beta Club**. To join this club, a student must earn a 3.2 average, and once becoming a member, the student must hold a 3.0 average. The Beta Club sponsors several projects but the most successful is the "Spirit Link" contest. This contest is held among the four classes and this year's profits were contributed to the local humane society. The third organization at Hopewell High which is based on scholastic ability is the **National Honor Society**. This Society requires a 3.5 average and members must maintain this average to continue membership. The members of this organization provide a tutoring service and assist when students are having difficulties in certain classes. One of the favorite projects that they

HHS MARCHING BAND ...

As sports and academics are important to a school, its band is just as important. The Hopewell High School Marching Band proves this each and every time they perform for the students, for the spectators at football games, or for whomever happens to be nearby. Under the direction of Mr. Steve Conley, the H.H.S. Marching Band has won many prestigious awards including: the Colonial Heights Christmas Parade first place award and the Hopewell Christmas Parade first place award.

did this past year was to sponsor a candy cane message sale at Christmas. Many students were delighted to receive a special candy cane from a special person.

Another favorite organization of H.H.S. is the **Monogram Club**. This club is made up of young men and women that have earned a varsity letter in a sport. The members of this organization are also given the opportunity to order a lettermen's jacket. One of the fund-raising projects this organization participates in is manning the concession stand at home basketball games and baseball games. With the funds secured, the club enjoys an outing in the spring of the year. The **Junior Varsity Cheerleaders** is another important group at Hopewell High. This squad, made up of Freshmen and Sophomores, are strong supporters of our Junior Varsity teams. These girls practice daily and are always at attendance for home and away games. Their cheers are a welcomed addition to the young teams of H.H.S.

Hopewell High's **Student Council Association** is certainly a vital part of the school. This organization, with its elected officers and chosen representatives from each homeroom, keep the student body aware of what is going on in and around the school. One of the major fund-raising projects of the SCA is the manning of a concession stand during all home football games. This gives needed revenue as well as an opportunity for the membership to enjoy each other's company.

Through the Music Department at H.H.S., a number of students can participate in various means of musical expression. A relatively new group is the **Jazz Band**. This band is composed of students that enjoy the lighter expressions of music and they perform for school assemblies and

for community functions. The **Symphonic Band** is also a welcomed addition to the school. This band is made up of many of the students that participate in the marching band. They audition for the seats in the Symphonic Band and enjoy presenting programs of quality music to the listening audience. The Music Department can also boast of another group that provides a welcome addition to H.H.S. The eighty-five voice **Choir** is made up of 9th, 10th, 11th, and 12th grade voices that give, to the student body, performances that are not soon forgotten. This group performs at the Christmas Assembly, has a Spring Concert, and participates in the graduation exercises in June.

One of the largest organizations at Hopewell High is the **Vocational Industrial Clubs of America**. This organization of students is composed of individuals that are enrolled in the Trade and Industrial Education classes. At H.H.S., we are proud to have the following VICA groups: **VICA — Auto Mechanics, VICA — Machine Shop, VICA — Electricity, VICA — Electronics, VICA — ICT, and VICA — Printing.** These organizations teach leadership and service to the community as well as pride in the skills that they are learning daily.

"Want to buy a booster!" "Stand up for the Alma Mater!" "We have to make eight more signs before we leave!" All of these are phrases that you might hear from a varsity Cheerleader. Once the tryouts are over and the squad is formed, endless hours are given to perfecting cheers, designing outfits, and earning money to buy needed equipment. To be a varsity cheerleader at H.H.S. is to be an over-worked student that juggles study time, class time, and leisure time to come up with enough hours in the day to accomplish everything. When the squad takes the field or the gym floor they put the finishing touch on many hours of preparation.

VICA groups at H.H.S. participate in fund drives and they are always a welcome sight at the concession stands during home football games.

The **Health Occupation Students of America** is a vocational related organization with a local chapter at H.H.S. This organization is composed of members that have expressed an interest in health related fields. The students that participate in HOSA do volunteer jobs at John Randolph Hospital and work for various health related institutions in the community.

The **Distributive Education Clubs of America** is represented by a local club here at H.H.S. DECA is made up of students that have an interest in marketing and business related occupations. This group enjoys field trips, state competitions, and other such activities which will increase their knowledge in the marketing field.

Two business related organizations of Hopewell High are the **Future Business Leaders of America** and the **Cooperative Office Education**. FBLA is made up of members that aim for business leadership and wholesome competition among business students. This group raises funds to provide community service and in the past year they made a donation to PROJECT ASK — the Association for the Study of Childhood Cancer.

Many of the students are employed in various businesses outside of school through the COE program. They work in banks, insurance agencies, industrial plants and medical offices. Through the COE program, these students learn on the job skills and come together to discuss problems related to the job.

Another branch of our vocational department at H.H.S. centers around the home, the family, nutrition, fashion and food preparation. The **Future Homemakers of America** is an organization that enlists students interested in the home and the success of the home. HERO which stands for **Home Economics Related Occupations** is also a part of the Home Economics Department. This organization works with food preparation, fashion design, and heads competitive programs within the school as well as on the district and state level. One of the favorite projects of this group this school year was to raffle a complete Thanksgiving Dinner to the winning ticket holder.

Last but not least in the long list of organizations at H.H.S. is the newly formed **Newspaper Staff**. This organization is laying the ground work for future issues of a school newspaper. A publication that will inform the student body, give interested students a place to see their thoughts in print, and make use of writing talent will be a welcome addition to Hopewell High.

Chemistry Can Be

Using a balance scale, Paul Knode and Ronald Rhodes weigh out the specified amount of chemicals to perform the experiment.

Moaning over her experiment, Martine Collins gets a chemical headache.

Keeping her eye on the test tube, Kim Simpkins watches the chemical reaction that is taking place.

After walking around the lab, Mr. Hayes watches Susan Rozamus and Sandy Faris read the weight of chemicals on the balance.

It takes two people working together to perform an experiment. While April Sculthorpe weighs the chemicals, Tina Keatts reads the directions.

EXPLOSIVE!

Using a stirring rod, Lanny Hartsell and Mark Merica wait to see what reaction will take place next.

Using a bunsen burner, Mark Aprahamian and Thomas Crutchfield watch the chemical reaction in the test tube while it is being heated.

Working together, Kim Simpkins watches her partner, while he cuts some glass tubing as an experiment.

Emptying the jar of chemicals, Michael Young and Mark Merica prove that chemistry can be fun.

After the directions have been followed, Sherry Connor waits for the results, while the mixture in the beaker is being heated.

Study Halls, Yea — Nay!

For the first time in a number of years, Hopewell High offered study halls to the student body. This class time was received with many mixed emotions by faculty and students. Many students used their time wisely to get homework assignments done and to study for upcoming tests, while others enjoyed visiting the library and catching up on leisure reading. Teachers also spent their time wisely, grading papers, preparing for classroom assignments, and replacing bulletin boards.

There were other members of the student body that had a difficult time coping with study halls. Some students had a difficult time studying when they were not in a regular classroom. A number of students looked on study halls as a time to visit with friends and relax for 45 minutes. Often these students, because of their conduct, received an unsatisfactory (U) report in study hall. The most dissatisfied group was the students in seventh period that kept thinking to themselves that it would be just as easy to go home an hour earlier than to sit in study hall.

The idea behind study hall was to give additional time to increase knowledge. After surveying the idea for one year it seems that changes will be made for the upcoming school year, and only certain students will be given the "privilege" of electing a study period during the school day.

"Safety first," says Erik Slaughter when working in Machine Shop.

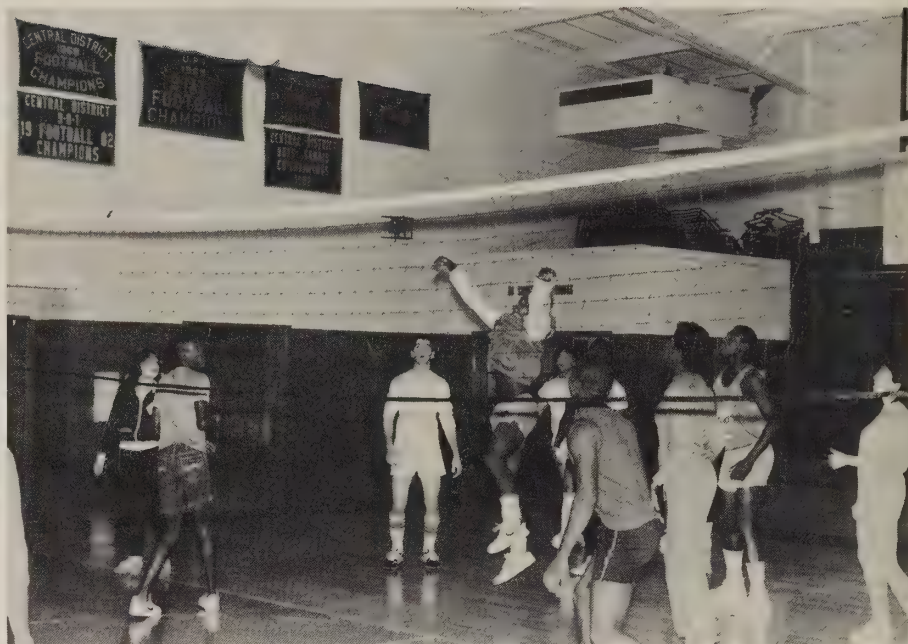

There's always time for an experimental taste in the Home Economics Department.

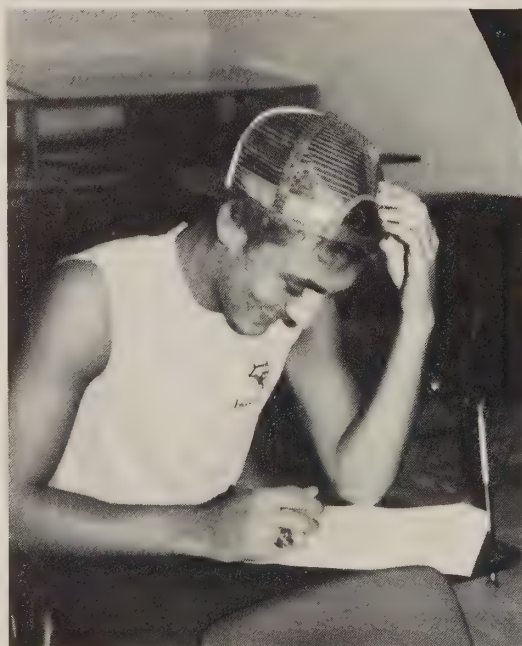

WORKING!!!

After spending hours of typing, students are able to type without looking at their hands or keys.

While playing volleyball in P.E. classes, students show off their physical strength.

After studying for U.S. History, David Williams shows that taking a test can be fun.

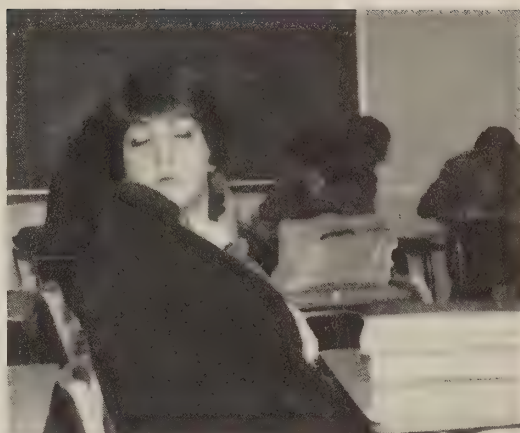

After helping organizations with their printing skills at Hopewell High School, the printers show different types of their handiwork.

PLAYING!!!

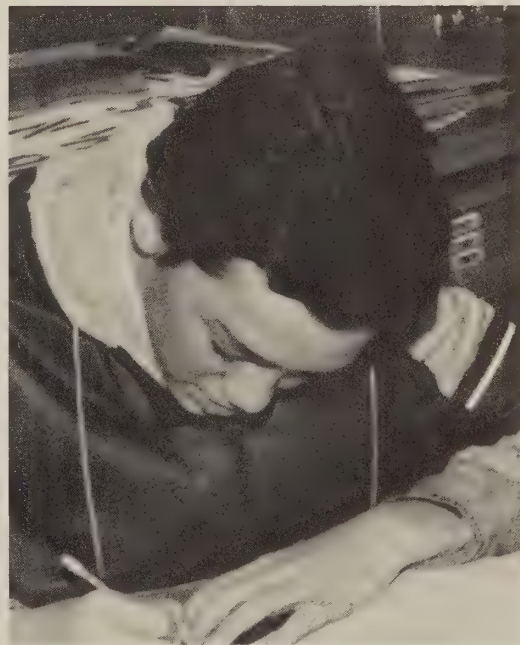

Football players enjoy free time in class because it gives them a chance to relax and get ready for the big game.

There are some students like Loretta Helmenstein, who sleep during Study Hall to catch up.

Some students, like Christy Lovins, can't wait to get out of study hall, so they can get to their next class or go home to relax.

However, there are some students, like James Cox, who use their time wisely to do daily assignments.

A Healthy School Through Community Volunteers

**Thanks Go To:

Hopewell Lions Club
Crater District Health
Department**

Superintendent of Schools, Dr. Robert Parlier, takes time from a busy day, to support the local Lions Club and aid in school physical inspections.

Through the efforts of the Crater District Health Department, over 250 students at H.H.S. received their required immunizations.

American Red Cross Volunteers make a return visit to Hopewell High to give students like Tommy Hutcheson an opportunity to help others.

It only hurts for a little while!

But the effects are long lasting, says Tommy Harney.

I've gained how much? I've grown how tall?, asks Kevin Suddarth.

Kim Norwood is one of a number of volunteers that assisted in the immunization clinic.

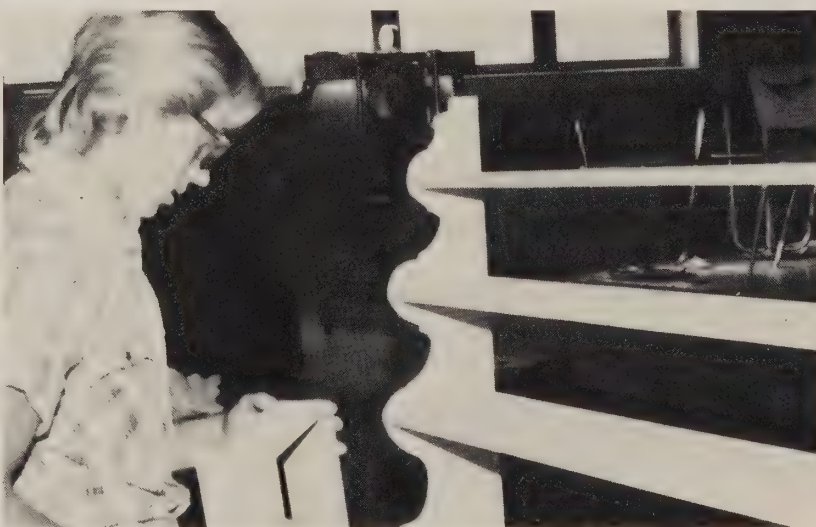

Mumps, measles, height, weight, blood and eyes — all of these words had something in common to Hopewell High students. During the first few weeks of school, students were required to update their immunizations, and take physical inspections. Many students also volunteered to give blood through the bloodmobile sponsored by HOSA.

Students and parents were alarmed at the latest state law concerning required shots, but after the clinic was held at school, everyone seemed to settle down to the idea that it was a necessary part of life. Through the effort of people in the community such as the Red Cross, the Hopewell Lions Club, the Crater District Health Department, and HOSA, students receive the necessary health requirements to begin the school year.

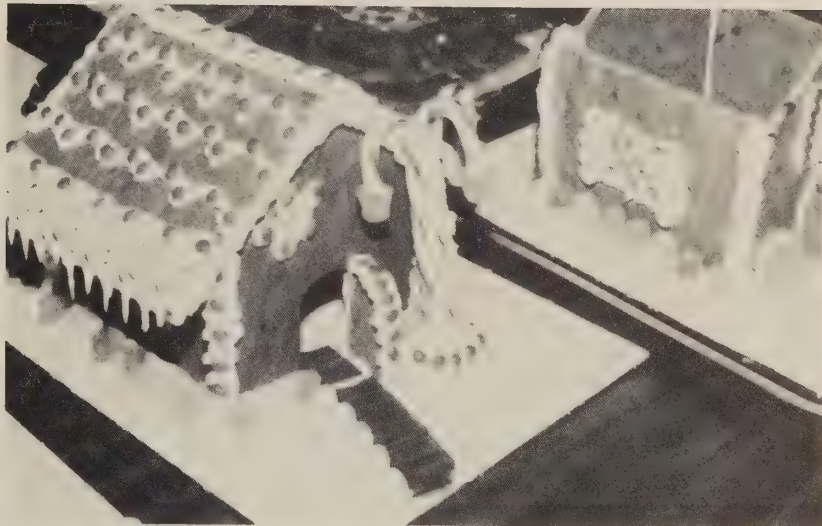

Made In

What exactly, you may ask does "Made in Virginia" mean? Simply, it is the effort of a management team comprised of state personnel, to let consumers know of the many products that are manufactured right here in Virginia. The campaign, which was launched the week of September 18, 1983, is designed to increase the sale of products here in the Old Dominion. To keep everyone on the lookout for products that are "Made in Virginia," little signs showing the emblems depicted here are placed at locations of businesses that are participating in this state-wide project.

Virginia

These students along with many others are producing well crafted items which will add to the long list of products that are "Made in Virginia." The students that are now engaged in school related classes will someday enter the work force and their craftsmanship will continue to make this state a popular place to live and work. Remember that all of us here today are the businessmen and women of tomorrow.

We've Only Just Begun . . .

You can always tell a Freshman, they are the ones that seem to be finding their way through a maze. They are the ones that have lots of questions about what is happening in and around school. They are also the class that has nothing in their treasury and must try and think of a fund raiser that will not compete with other classes.

With the funds raised from candy sales and bumper stickers, the Freshman class was able to hold their spring dance. Each Freshman who helped decorate and attended enjoyed their first real high school dance. In the years to come, this class will gain much experience in dance planning. They have to look forward to the Sophomore Dance, the Ring Dance, the Junior-Senior Prom and finally the Senior Dance.

As the night goes on the shoes come off for Tammy Miller as she enjoys dancing with her date, Brian Braswell.

Loretta Spagnoulo and J. R. Gray watch the newest dance steps.

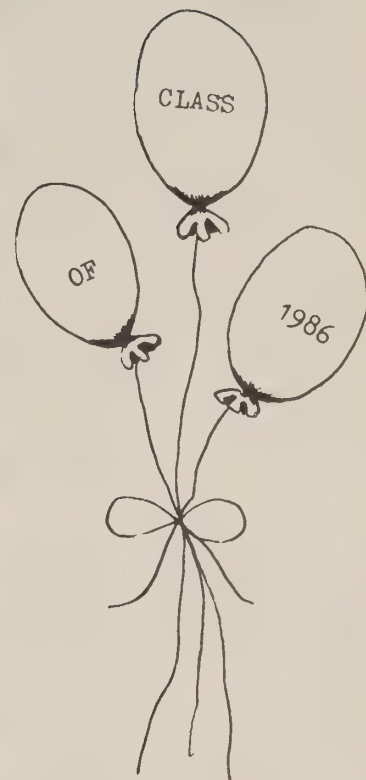

Hey, where did my date go! says Johnny Schiwitz

Who says it takes two to dance? Vonda Campen, Cristie Webb, Paula Million, Donna Jones and Glenda Bryant show their steps.

Sweethearts

Receiving her crown, Sophomore Sweetheart, Tonya Johns, smiles happily as her date, Keith Hayes looks on with pride.

Sophomore Sweetheart, Tonya Johns, poses prettily with her first and second runners-up, Angela Wollaston and Sonya Griffin.

Sonya Griffin and Donny Callis trip the light fantastic!

Katrina Hayes dances with date, Adrian Jones.

Showing their dancing steps, Eddie Farley and Sherri Persinger do a dip on the dance floor.

Diann Mitchem and her date, Ricky Nicely, do the "SMURF."

The Junior-Senior Prom, Junior Ring Dance, and Freshman Dance are all very nice, but the Sophomore Sweetheart Dance is *SPECIAL*. When students become Sophomores, it's as if they are getting their first chance to grow up. They finally reach that tender age of 16, they go on their first dates, and most of all, they get their driver's licenses. The Sophomore Sweetheart Dance is like a "Coming Out" — or better yet, a "Growing Up" party.

Last year's (1982) Sweetheart Dance was no exception. The colors were Red, White, and Pink. Tonya Johns was crowned "Sophomore Sweetheart" and the first and second runners-up were Angela Wollaston and Sonya Griffin.

Everyone who attended enjoyed themselves, and being a part of this special occasion prepared these Sophomores for their Junior Year and the Junior Prom.

Tammy Sober Crowned

Master of Ceremonies, Mr. Alan Hoover, introduces Miss Caprice Kitchen, Miss Hopewell High School 1983.

Miss Hopewell High School, Tammy Sober, poses with Kelly Bedwell, second runner-up, and Candy Buffo, first runner-up.

The Miss Hopewell High Contest is sponsored by the Junior Class each year to raise money for Junior Class projects. Retailers in the community sponsor the participants and through these contributions as well as intake from the door, this contest helps to strengthen the Junior Class Treasury.

Judges take time to view the participants in the Miss Hopewell Contest.

Youth Appreciation Week

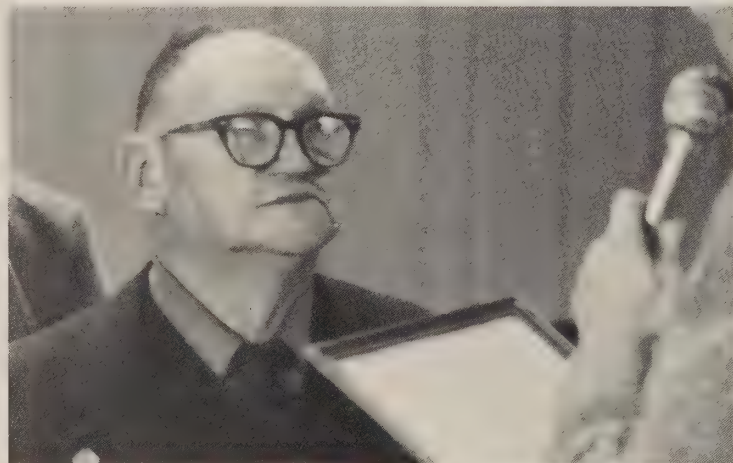

Awarded for her special talents, Cindy Farris accepts a plaque from Mr. Bartlett and Mr. Strouth.

Enjoying a humorous moment, Scott Loshkreff accepts the sportsmanship award from Mr. Strouth and Mr. Galbraith.

The Optimist Club of Hopewell is a strong supporter for the Hopewell School System. They spend many hours planning and raising funds to sponsor youth related activities for the young people in the community. Along with holding a Fall and Spring Sports Banquet, they also observe Youth Appreciation Week. The young people featured, received awards for contributions made to their school and to the community.

Mr. Jimmy Covington, who has long been a faithful supporter of H.H.S., was recognized by the Optimist. He was given a plaque for his "school spirit," and a one year scholarship will be awarded in Mr. Covington's name.

A serious moment is observed when Mr. Jimmy Covington is commended by the Optimist Club for his untiring faithfulness to H.H.S.

Receiving a special hug, Sherry Conner accepts her sportsmanship award from Mr. Smith.

Sponsored by Optimist Club

Showing her award winning smile, Tracy Spatig is spotlighted for her accomplishments as Hopewell's Junior Miss.

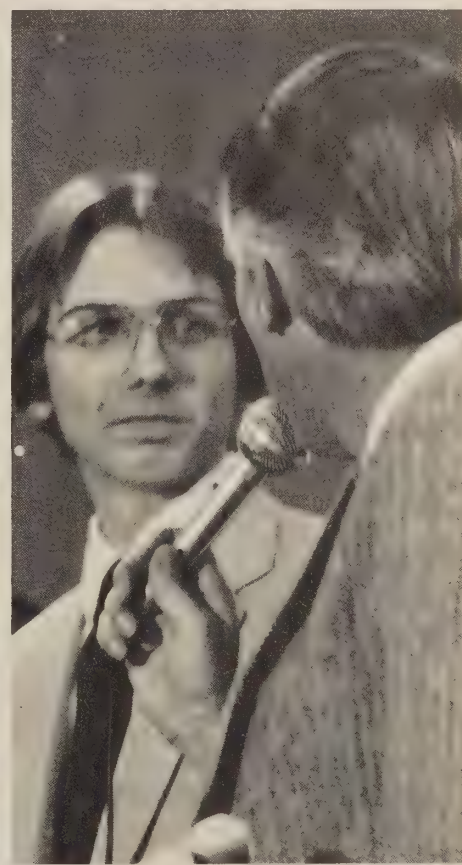

Commenting on her accomplishments, Mr. Strouth presents the Optimist Outstanding Youth Citizen award to Julie Chevalier.

Recognized for his service to his church, Andrew Zukowski receives the Outstanding Youth Religious Leader Award.

Receiving recognition for serving as Miss Noel and H.H.S. Homecoming Queen is Kathy Nicely.

Receiving his award for Optimist Outstanding Young Citizen is Michael Creamer.

My Sister,

Your really, really great
to this again. I appreciate
your special kindness and
friendship. - Thanks,
Your class added more
than it actually appeared.
The stories you shared
and the times of
discussion taught me
a lot of myself and people
I feel I will always
remember you and your
open attitude and always
look toward you with
respect as a person and
as a friend.

Thanks, Mark

Hi. Sister,

I have really enjoyed your class this year.

It was not only fun but very knowledgeable. Many people say that they don't want to have you as a teacher, but I wish everyone could have you because they could learn so much from you. May God bless you and be with you always.

Love, Karen Dean

P.S. Always remember

that "God and I
love you!!"

😊 Smile! It
makes people
wonder what
you're up to.

JERRY,

I WISH I DIDN'T HAVE
TO LEAVE YOU GUYS HERE AT
THE SCHOOL. I WILL SURELY
MISS YOU VERY MUCH. I THANK YOU
FOR ALL THE TIMES YOU TOOK ME OUT
AND I'M SORRY I DIDN'T STAY AS CLOSE AS
I SHOULD HAVE. THANK YOU FOR BEING SUCH
A GREAT PERSON. GOD BLESS YOU.

I LOVE YOU,

Mr. Lober,
I just want to
tell you that I've
enjoyed being in your class
this last year (most important)
of my high school life. Even though
it may have appeared to you that I
didn't pay attention to your numerous talks
or life & its many precarious situations, I did
listen most attentively. Because of your talks I
have an even stronger desire to help people who really
need & want that help. And I think I realize now that
if try hard enough (as you have) then I will succeed in life.
I just want to offer you my most gracious thankfulness
for your never ending help.
Love Always,
Chucky

MR. SOBER,

I MUST SAY THAT IT HAS BEEN AN EXPERIENCE HAVING YOU AS MY ADVANCED GOVERNMENT TEACHER AND HOMEROOM BABYSITTER. I THOUGHT I'D NEVER SEE THE END OF THOSE NEWS QUIZZES AND ORAL PRESENTATIONS. YOU HAVE BEEN A GOOD FRIEND AND AN INSPIRATION TO ME THROUGHOUT THIS YEAR. I'LL NEVER FORGET THE GRAND TOUR OF YOUR LITTLE MANSION AT 206 MOHAWK. PLEASE KEEP IN TOUCH AND IF YOU DON'T WRITE ME - YOU'LL BE BUGGED UNTIL YOU DO.

LOVE,

Kelly L. Kirby

Hey Jerry,
It's really been fun being in your class. I've learned more this year than I have in many many years. Thanks for being a friend and a good teacher. I'll never forget you. Good luck in running for Congress! ☺ I'm sure that you'll win many things about myself this year. However, I didn't know how to express the feeling of gratitude that I feel I owe you. You are a very special person, in a good sort of way. God Bless!
Jerry Alexander

P.S. Proper food and Diet. Keep in touch!!!

Mr. Sober,

You are a wonderful person! You have taught me a lot about life in Government Class this year and "Thanks" is just a little word of appreciation that all you have done for all of us!

Love Always,

HA HA!

Mr. Sober,

I am so glad I had you as my govt teacher. You have taught me a lot about life. You are not only a great teacher but also a fantastic friend. Thanks for making my senior year the best year of my school years.

Love Always,

Mr. Sober,
I've really enjoyed
being in your class this year.
I hope I like I learned a lot
even though it may not show. I hope to see
you in the future.

A friend Always,

Mr. Sober—

I am very glad that I had you for my Government teacher this year (You made Government fun, even though it's not). Thanks for everything you taught me (Government is not). You're a great teacher and I'll remember you always. See ya sometime later! Take Care!

Love Always,

Mr. Sober,
I'm really glad I had you
as my Government teacher.
You really taught me a
great deal about life. Without
you I do not know what

What can I say. You have made my Senior year the best year I have had. All your stories and all your little talks have made it possible for me to get through this year. On bad days, after I left this class I was feeling a whole lot better. I'm glad you are a teacher who really cares. I can't really put into words all the things you have done for me or how I feel. You are really great. Thanks for all the great times in your class!

Love ya,

Tervell, (excuse the informality; just read it after school's over).
It's been truly an "experience" having you as a teacher this year and I hope all of my teachers in College are as enlightening and as care-free as you!

I'll always remember your smiling, cheery face and I'd like to thank you for all that you've done for me this year, whether you know it or not!

Well Dad. I've really enjoyed spending 45 minutes of my day with you. I wish it was more... PITY! I really love you + I'm glad we became so close. Good Luck with the upcoming classes you'll need it more than ya did with us.

MR. SOBER,

You have been a really wonderful teacher and I don't know how I would have made it thru this year without you. At first you & I really didn't get along. I think it was something about VEPKO, but that's over now. And as the year progressed, I learned to understand you. All your long stories have taught me a lot about life! I may not have learned much about Government, but I have learned about life, and how to love. I think you are a wonderful person & teacher, don't ever change. LOVE

Always

Mr. Sober,
Well, I made it
through your class!
It has really been
a pleasure being in
your class and I
don't regret not
